

***Grandparents are the footsteps to the future generations...
Grandchildren are the dots that connect the lines from generation to generation.***

One of the greatest joys in life for grandparents is nurturing a special relationship with their grandchildren.

Recognising this, the Moriah Foundation has established a Grandparents' Club to enable you to become more involved in your grandchildren's life at the College. We acknowledge that the important role grandparents play in the lives of their grandchildren should extend to include them more in the life of Moriah.

As a member of the Grandparents' Club, you will receive invitations to special events throughout the school year. We will invite guests to speak on areas of interest to you.

The Grandparents' Club provides grandparents more opportunities to come together with one another and more opportunities to be invited onto the campus.

Membership is open to all past and present grandparents of the College or 'surrogate grandparents' who maintain a unique relationship with a student of the College. We invite those grandparents who live overseas or interstate to become members, and we welcome them for a special visit to the College whenever they visit Sydney.

Members of the Grandparents' Club will receive Contact Magazine, in which Grandparents' Club news and activities will be featured.

A small annual fee will cover refreshments at Grandparents' Club events. When available, any membership fees remaining at the end of each year will be used to donate a gift from the Grandparents' Club to Moriah College.

Sign up today to become a special part of the Moriah Family.

For enquiries, please call (02) 9375 1774 or email: grandparentsclub@moriah.nsw.edu.au
