Up-Front Payment Discount	Annual payment of fees in full by 27 January 2017		2.0%		

NOTICE OF WITHDRAWAL

Parents are required to provide one full term's notice should they decide to remove their child (for any reason) from the school. Failure to do so will result in a charge of one term's fees in each case.

CREDIT CARD FACILITIES

Credit card facilities are offered as a method of payment. There will be a 1.0% surcharge for VISA and MasterCard and a 1.10% surcharge for American Express.

TUITION FEES

Tuition fees are determined on an annual basis and must be paid in accordance with the payment method selected by you from the options provided by the College.

DEADLINE FOR FINALISING PAYMENT PLANS

All families are required to finalise all fee payment documentation, including a payment plan that is acceptable to the College, **by the second week of Term 1 (10 February 2017)**. If an acceptable payment plan for 2017 fees is not finalised by this date then children of that family will not be granted permission to attend the College until a suitable payment plan is in place. Please contact Ms Galletta on 9375 1706 or jgalletta@moriah.nsw.edu.au to arrange your preferred payment plan from the options provided. Similarly, please contact Ms Galletta if you have a particular payment difficulty as the College has Financial Assistance mechanisms in place.

PROMPT PAYMENT

All families are required to maintain their agreed payment plan and settlement of outstanding fees and charges within prescribed terms is strictly enforced. If fees remain unpaid, the student may not be permitted to return to the College at the beginning of the next term. Similarly, if payment plans are not met, students will be ineligible for optional interstate or overseas trips without the Principal's prior approval. Late payment charges may also be applied to the account.

A late payment administration fee of \$110 will be charged on accounts more than 16 days overdue. If a payment plan becomes 23 days overdue, the College may **charge interest** at 4% p.a. (being the estimated opportunity cost to the College of not having funds available) on the outstanding amount overdue for 2017. Interest charges will be effective from, and backdated to, the date the amount was due to be paid.

DEBTORS POLICY

A copy of the official Debtor Policy is available on the College website www.Moriah.nsw.edu.au.

EXTRA CHARGES

Additional fees are payable for book levies, subject specific levies and compulsory camps. A sport levy for Years 7 and 8 of \$200 per student is charged to cover the cost of buses and hire fees for compulsory sport.

Extra-curricular activities including the instrumental program and Duke of Edinburgh will appear as a separate item on your fee statement. Fees for other activities are payable directly to the service supplier.

TECHNOLOGY LEVY

Year Group	\$
Year 3 – Year 4	300
Year 5 – Year 6	400
Year 7 to Year 12	700

A Technology Levy for Year 3 to Year 12 is charged per student, each year. This Levy is used to offset part of the cost of maintaining and enhancing information technology resources and infrastructure.

VOLUNTARY TAX DEDUCTIBLE CONTRIBUTIONS

Credit card surcharges are not applied to these voluntary contributions. Your contribution will be recognised as a **tax deductible donation by The Moriah Foundation** and will benefit present and future students.

Voluntary Building Fund - \$60 per quarter per child

A voluntary Building Fund contribution of \$60 per quarter, per child, provides funds for essential capital works at the College, which are outside the scope of the annual operating budget and are necessary to enhance the teaching and learning environment.

Voluntary Financial Assistance - \$100 per quarter per child

A voluntary Financial Assistance contribution of \$100 per quarter, per child, provides much needed funds to assist with short term tuition fee relief for families who struggle to afford a Jewish education for their child(ren) at Moriah. Over the last few years the demand for financial assistance has significantly increased, doubling since 2012. Your decision to make this contribution will help ensure the continuity of Jewish education in as many Moriah families as is financially possible.
