COMMUNITY

At Moriah College, we are more than just a school. Our students, sta?, parents, grandparents, Alumni, Board and Foundation members come together in a community as the Moriah Family. Together, we are committed to ensuring the best possible holistic education for every child, securing a lifelong connection to the Moriah Family, the wider Jewish Community and the world beyond.

We invite you to explore the many elements of our Community and Family including the Parents' and Friends' Association, the Alumni Association, Kehillat Moriah and the Moriah College Foundation.
