

Moriah College Commitment Deposit Fact Sheet

At Moriah College, we believe the continuum of schooling from Early Learning through to Year 12 to be an exceptional experience.

We encourage you to continue with us from Early Learning into Year K and confirm your intention by paying a Commitment Deposit. Your Commitment Deposit will also provide you with a number of benefits:

The Commitment Deposit will increase the likelihood of your child being allocated your Early Childhood Class/Early Learning Centre campus of choice.

The Commitment Deposit will give your child priority into Year K.

The Commitment Deposit is fully deducted from your first term's school fees when your child starts Year K.

Change of mind and deferring

- Should you be offered a place in Year K and decide not to proceed with the enrolment your Commitment Deposit will not be refunded.
- The Commitment Deposit can be deferred once and must be taken up within two years in order for it to be deducted from the first term's fees.
- In the event that the ELC educators and a family agrees that a child may benefit from an additional year in our Early Learning Centres, the Commitment Deposit will be transferred to the following year on entry into Year K.

If you already have a school-age child at Moriah College, you will automatically receive the above benefits without having to pay a Commitment Deposit.

The Commitment Deposit for 2022 is \$3000, and can be paid in full or over a six-month period. You can nominate your preferred payment option on the form we provide to you.

Should you have any questions regarding the payment of the Commitment Deposit or the ECC/ELC enrolment process, please contact Karen Shagrin, Enrolments & Engagement Officer at kshagrin@moriah.nsw.edu.au or (02) 9375 1784.
