Thank you for your interest in the Moriah College Fee Support Program. The College offers a variety of fee support to our families in Year K-12 including Bursary, Financial Assistance and Fee Deferment. Any support awarded is at the complete discretion of the College. Families whose children are in Years 11 and 12 are generally only offered a Deferred payment option.

Please read the following information (as well as the Fee Support Information pamphlet provided) carefully before proceeding with your application. **All information required must be provided before your application can be considered.**

1. The information provided by you in this application will be treated by the College in the strictest of confidence: please maintain this level of confidentiality. Please refer to the Moriah College Privacy Policy which is available on our website [www.moriah.nsw.edu.au](http://www.moriah.nsw.edu.au).
2. Please ensure you answer all questions carefully and add any additional information that may assist us in understanding your circumstances to better assess your application.
3. The College will conduct any inquiry it sees fit in order to determine the accuracy of the information provided in this application.
4. Should your application be successful, it is conditional that (whatever level of Fee Support you are granted,) the balance of the fees are payable by you within the period they fall due. Failure to do so may result in the Fee Support and/or enrolment being revoked.
5. Please ensure that your application is accompanied by all required documentation as outlined in the checklist of the application form. Failure to submit all required documentation will result in delays to process your application before it is discarded without a review.
6. Where parents form a joint household, one application suffices as long as it contains information for each parent/guardian. Where parents are separated, each should complete their own application. In cases where only parent/guardian has sole responsibility for the child(ren)'s enrolment, the College will accept a single application from that parent/guardian.
7. Applications are subject to Moriah College's enrolment criteria. If you are applying for a child(ren) who is not currently at the College please complete the Moriah College Application for Enrolment form.
8. Once your fully completed Fee Support application has been received by the Fee Support & Operations Manager, the initial review process will commence.
9. Fee Support will be awarded after consideration by the Debtor and Fee Support Committee. The Fee Support & Operations Manager will then advise you of the outcome of your application.
