

**MORIAH WAR MEMORIAL COLLEGE,
EY & BUILDCORP**

STEAM BUILDING PROJECT **TEAM CHARTER**

THE VISION:

To deliver a transformative educational environment that reflects Moriah College's commitment to excellence, community, and future-focused learning.

The new STEAM Building will be a place where innovation thrives, diversity is celebrated, and every individual feels valued and empowered to contribute.

OUR ACTIONS, DECISIONS, BEHAVIOURS AND WAYS OF WORKING WILL BE GOVERNED BY THE FOLLOWING PRINCIPLES:

RESPECT

We treat every person on site with dignity and courtesy. We respect the environment, minimise disruption, prioritise safety, collaborate and resolve issues constructively.

INCLUSIVITY

We create a workplace where everyone feels welcome and safe. We value all voices, invite feedback, and collaborate with the school community throughout the project.

DIVERSITY

We celebrate diverse backgrounds and skills, building teams that reflect our community and industry. We promote cultural awareness through design elements that honour all identities.

TEAMWORK

We work together to deliver a world-class facility for current and future generations. We share knowledge, support each other, and prioritise safety and wellbeing, knowing success relies on strong collaboration.

**EVERYTHING THE BUILDCORP TEAM DOES IS UNDERPINNED BY OUR SEVEN
VALUES OF TEAMWORK, PREPAREDNESS, CREATIVE THINKING, FAIR PLAY,
PASSION, CONTINUAL LEARNING AND SOCIAL RESPONSIBILITY.**

By upholding these principles and values, we will create a site culture where everyone belongs, feels respected, and is empowered to do their best work. We will deliver a project that not only meets technical and operational requirements, but also leaves a lasting positive impact on the Moriah College community and all those involved.
